

# KITCHEN CUPBOARD PAINT

beautiful durable painted cabinet finishes

## Environmental Policy

Kitchen Cupboard Paint is part of the sustainable supply company H-B Designs Ltd.

We are committed to the protection of the environment at all locations where activities are undertaken, and as an environmentally conscious business, we are committed to the following environmental objectives:

- Managing detrimental effects on the environment from our business activities by actively seeking opportunities for continual improvement.
- Strive to minimise releases to land, air and water, through reuse, recycling, reduction and elimination of waste (4R).
- Co-operating with customers and suppliers to improve our environmental performance.
- Complying with all relevant environmental legislation and industry codes of practice.
- Monitoring environmental improvements through documentation and targeting.
- Ensure the requirement of this policy is communicated and understood by stakeholders throughout the company.

Active Ongoing Procedures:

- We specify the highest quality materials possible to ensure longevity and durability of our products.
- We minimise unnecessary unique manufacturing processes by developing a system-based product.
- We are innovative, using design to reduce the material content in like for like products and structures.
- We procure sustainable materials from renewable sources with a proven environmental policy that matches our own.
- We consider the ecological impacts of all parts of our products, using tins for all our paints, including our sample tins, which are ultimately indefinitely recyclable.
- We advise our clients on the best practices to negate environmental pollution.
- We ensure that no process or product that we develop harms the ecology of our planet.
